HOBBS MEDICAL, INC.

INTRODUCTION

WELCOME

Established in 1984, Hobbs Medical, Inc.

has built a solid reputation for

innovation and quality. A privately

held company with expertise in the

development and manufacture of

diagnostic and therapeutic accessories for

flexible GI and Pulmonary Endoscopy, Hobbs

works with a network of industry professionals,

consultants, sales representatives and international distribution agencies

to bring precision endoscopic accessories to the world market. We take pride in

our comprehensive line of precision accessories, all manufactured in the USA, and

continue to introduce unique devices to the ever-changing market.

The entire staff at Hobbs Medical is committed to exceeding each and every customer's expectations;

providing cost-effective, quality and innovative products and investing in ongoing product development.

Our Sales personnel are always available to answer inquiries. We look forward to responding to your needs.

QUALITY POLICY

The Quality Policy of Hobbs Medical, Inc. is to meet the needs and expectations of our customers. This will be accomplished through market feedback and continuous evaluation of our Quality Management System to ensure its continued effectiveness and suitability in complying with customer needs and all regulatory requirements at all levels of the organization.

SPECIFICATION CHANGES

Hobbs Medical reserves the right to make improvements and changes in the products described herein. Should you have a suggestion for a new device or an improvement of an existing device, let our Engineering staff translate your idea into reality. Our website (www.hobbsmedical.com) provides an avenue for product suggestions.

PRODUCT WARRANTY

Descriptions or specifications appearing in Hobbs Medical literature are solely meant to generally describe the product at the time of manufacture and do not constitute any express warranties. Hobbs Medical warrants all of its products to be free from defects in materials and workmanship. Storage conditions and product use are factors beyond the control of Hobbs Medical and may directly affect the products and the results obtained from them. The user assumes responsibility for any consequences, which may arise from the final use of the products. No person has any authority to bind Hobbs Medical to any representation or warranty concerning these products.

All reusable products in this catalog are warranted to the original purchaser to be free from defects in material and workmanship for a period of six months from the date of purchase. All disposable products are warranted to the original purchaser to be free from defects in materials and workmanship for the first use only.

RETURN POLICY

A Return Authorization Number must be obtained for all returned products. Contact our Customer Service Department (800-344-6227). Returns must include a reason for return, lot number, catalog number and invoice number. Contaminated products sent for evaluation will not be accepted unless the product has been cleaned and high level disinfected prior to returning to Hobbs Medical. Returned, unused products must be in the original unopened Hobbs Medical pouch and will be subject to a 20% restocking fee.

SHIPPING & TERMS

Most items are shipped within one day. Products are shipped via ground transportation unless otherwise specified. MasterCard and VISA accepted. F.O.B. Stafford Springs, Connecticut. Due to fluctuating operating costs, we reserve the right to change prices without prior notice.

ORDERING INFORMATION

Our Sales and Customer Service personnel are always available to answer inquiries and to meet our customers' specific needs. Order and Price Requests can be placed by telephone, fax or email.
